## INFORMATION ON THE VOLUNTEER WORK EXCHANGE

If your application is approved, before you get any money you will need to do 4 hours of volunteer work for every \$50 you will receive. This is because the money for this program comes from a sales tax paid by people who shop in Boulder. In exchange for receiving money, we ask you to give back to the community by helping someone who is not in your family. You can do the hours in several different places if you want. We can help you with ideas of something fun to do, then it will be up to you to arrange and do the service on your own. ***Please be sure to ask us if you need ideas, or if you need help getting started on your own idea.***
